

The screenshot displays the TeaMan application interface. At the top, there is a title bar with the text "TeaMan" and standard window controls. Below the title bar is a navigation bar with several buttons: "+ Nowy kalendarz", "+ Utwórz zadanie", "Feature", "ToDo", "Rok", "Miesiąc", "Tydzień", "Dzień", and a grid icon. The main area is divided into a sidebar on the left and a central calendar view. The sidebar contains a list of calendars: "Kalendarz Śpiewania Krzysia", "Kalendarz nauki Krzysia", and "Kalendarz 3", along with a gear icon at the bottom. The central calendar view shows a grid for August 2016. The days of the week are labeled S, M, T, W, T, F, Sa. The dates are displayed in a grid, with some dates highlighted in red (31, 7, 14, 21, 28) and others in blue (6, 13, 20, 27, 3). The right side of the interface features a vertical toolbar with icons for list, grid, and other views.
